Aerial Tours

Rawnsley Park Station

Arkaroola & Northern Flinders Full day tour

Fly over the Flinders Ranges to the Arkaroola Wilderness Sanctuary to join a shared 4WD Ridgetop Tour – so steep that only Arkaroola guides are permitted to drive it – to enjoy spectacular views from Stillers Lookout. Complete the experience with a light lunch at Arkaroola before a return flight via Blinman, Brachina Gorge and Wilpena Pound.

Kati Thanda / Lake Eyre Full day tour

One of the highlights of the Outback is the timeless landscapes of Australia's largest salt lake – Kati Thanda / Lake Eyre. With an area that is 144km long, and 77km wide (the same size as the country of Qatar) the best way to appreciate the lake's vastness is from the air. Enjoy a scenic flight over the Flinders Ranges, Leigh Creek, Marree and Kati Thanda / Lake Eyre before experiencing lunch at the famous William Creek Hotel. The return flight will include the world's largest cattle station (Anna Creek Station, which is the same size as Wales), Andamooka, and Lake Torrens.

Mungo National Park Full day tour

Mungo National Park offers an insight into the world's oldest living culture, and the landscapes that help keep the Indigenous culture strong. Enjoy a 4WD tour of Mungo National Park, and hear the remarkable stories of the region. Enjoy a scenic flight over the Eastern Flinders Ranges. Morning and afternoon tea, and light lunch, are included. Available: April to October only.
